

## Taos SWCD

### Janitorial Services Bid Form

**I have read and understand the specifications provided for this procurement of Janitorial Services.** My bid is for a six (6) month term of weekly cleaning services, as outlined in the Specifications **(not including NMGRT)**. I understand that Taos Soil & Water Conservation District may elect to renew the six-month agreement up to five (5) times **at the same rate** (for a total contract time of up to three (3) years).

If I am the successful bidder, I agree to bill Taos Soil & Water Conservation District on a monthly basis (the monthly rate will be determined by dividing the total six-month contract by six and adding NMGRT).

The first six-month term will begin July 1, 2021 and end on December 31, 2021.
