

KNOW YOUR ENEMY!
**NEW & IMPROVED FREE COMMUNITY LECTURE
AND TOUR ABOUT
NOXIOUS WEEDS IN TAOS COUNTY**
It's the forest fire you can't see!

FRIDAY, JUNE 2, 2023

9:00 – 12:00 p.m. Juan I. Gonzales Agricultural Center, 202 Chamisa Road, Taos

12:00 – 1:00 p.m. Lunch (provided FREE)

1:00 – 5:00 p.m. Coach Tour of Infestations Around Taos (new locations!)

Join the **Taos Soil & Water Conservation District and Taos County Cooperative Weed Management Area (CWMA)** for the **fifth annual** free noxious and invasive species lecture and tour featuring Dr. Richard Lee (IPM Specialist for BLM) and Dr. Leslie Beck (Extension Weed Specialist at NMSU). Attendees will learn how to identify and control noxious weeds & other invasive plants found around Taos. Also, feel free to bring a sample of a weed you'd like help identifying (just make sure it's contained in a bag). Please note: space is limited for the afternoon tour – the first 50 people to register will secure a space on the coach. When the tour is full, you can sign up for the waitlist in case someone doesn't show up.

Taos County CWMA partners: Taos Soil & Water Conservation District, USDA Carson National Forest, USDI Bureau of Land Management (Taos Field Office), New Mexico Department of Agriculture, NMSU Agricultural Extension Office, New Mexico Department of Transportation, New Mexico Division of Forestry, Southern Methodist University (Taos Campus), Taos County, Town of Taos, Amigos Bravos, Taos Land Trust, Rocky Mountain Youth Corps, New Mexico Native Plant Society (Taos Chapter), Sunset Park Inc., and Rio Grande Ace Hardware.
