**1. SWCDs: Apply for the \$160,000 with NMDA for Capacity Building**

Please see NMDA's attached guidelines and proposal instructions for the SWCD FY26-28 Capacity Building Funding Opportunity. There is also a budget template that NMDA suggests (rather than requires) SWCDs use.

NMDA will accept proposals for this round of capacity building funding from July 15, 2025 to July 15, 2026 (12 months). Once NMDA has approved a proposal and the necessary paperwork is completed, funded activities can begin.

Please email the completed proposal and budget to your SWCD Specialist and [pdepner@nmda.nmsu.edu](mailto:pdepner@nmda.nmsu.edu). **If you have questions about this funding opportunity or require assistance, please contact your SWCD Specialist.**

## 2. NMDA's Healthy Soil Program: Important updates

NMDA is encouraging individual applicants such as farmers, ranchers and other land managers to contact their project sponsor as soon as possible and let them know that they are planning to apply for the Healthy Soil Program FY27 grants. Individual Applicants are asked to provide their prospective project sponsor with their contact information as well as the location of the project. Once this information is provided, we ask that SWCD's or pueblos, tribes or nations provide that information to NMDA's HSP Team. This information will allow NMDA to determine if additional assistance may be necessary to provide conservation planning for individual applicants.

In order to have the most up to date information on NMDA's Healthy Soil Program, SWCD's and other eligible entities as well as farmers, ranchers and other land managers are encouraged to subscribe to the weekly HSP email newsletter. The HSP weekly email includes updates from NMDA's Healthy Soil Program team. Subscribing is simple: Send an email to [hsp@nmda.nmsu.edu](mailto:hsp@nmda.nmsu.edu) with the word SUBSCRIBE in the subject line.

### **FY26 Healthy Soil Program REMINDERS:**

- October 31 marked the end of the first quarter for FY26 grants. First quarter reports, including pre-project soil test and assessment data, were due to **NMDA on Nov. 30**.
- **All projects must be invoiced for reimbursement at least *quarterly*.** This requirement aims to help all parties keep pace with the paperwork during the nearly 15-month grant term.
- The **FY27 HSP** application period will open January 16, 2026. The deadline to apply is 12 p.m. (noon) Mountain Time on Friday, March 20, 2026. Late, incomplete, and paper applications will not be accepted or reviewed.
- Individual applicants that are applying for the FY27 HSP grants must complete conservation planning by February 20, 2026.

**Bottom Line: If an HSP applicant cannot get NRCS conservation planning and comes to you for assistance, please pass on their contact information and the location of the project to NMDA's HSP Team ([hsp@nmda.nmsu.edu](mailto:hsp@nmda.nmsu.edu)).**

We remind SWCD's that if you have any questions about the Healthy Soil Program please feel free to email those questions to the HSP Team at [hsp@nmda.nmsu.edu](mailto:hsp@nmda.nmsu.edu)

### **3. \$500,000 in USDA specialty crop funding available for NM**

*NMDA to hold workshops in December in advance of Feb. 14 proposal deadline*

LAS CRUCES, N.M. – More than \$500,000 in funding is available to New Mexico producers through the U.S. Department of Agriculture’s (USDA) Specialty Crop Block Grant Program, administered by the New Mexico Department of Agriculture (NMDA).

The USDA’s Specialty Crop Block Grant Program enhances the competitiveness of specialty crops, defined as fruits, vegetables, tree nuts, dried fruits, horticulture and nursery crops. Projects should focus on marketing, training, certification, food safety, pest control or plant health that benefit specialty crops broadly.

Producer groups, non-profits, trade associations and universities are eligible applicants. Projects cannot solely benefit a single organization, product or individual.

The New Mexico Department of Agriculture is holding three virtual workshops in December in preparation for the Feb. 14 Specialty Crop Block Grant Program proposal deadline. Saffron flowers are considered a specialty crop by the United States Department of Agriculture. (Envato Elements stock photo)

To help applicants prepare for the Feb. 14, 2026 proposal deadline, NMDA will host three virtual outreach workshops in December:
